

UCF LIBRARIES CLOUD

On Friday, 12 June 2015

In relation to the 2018 New York City Basketball championships, which will be held on the day, beginning at 7:30 a.m., and followed by awarding ceremonies.

The participants in the bidding games are expected to have the following payoff matrix among all possible bids: $\begin{matrix} & \text{B1} & \text{B2} & \text{B3} \\ \text{B1} & 0 & 1 & -1 \\ \text{B2} & -1 & 0 & 1 \\ \text{B3} & 1 & -1 & 0 \end{matrix}$

In support of the framework, the following section discusses the methods used.
